**Agency of Transportation Solicits Applications for Mobility and Transportation Innovation Grant Program**

Barre, Vt. – The Vermont Agency of Transportation (AOT) is now accepting grant applications for the FY 2023 Mobility and Transportation Innovation (MTI) Grant Program. The program is designed to support innovative strategies and projects that improve mobility and access to services for transit-dependent Vermonters, reduce the use of single-occupancy vehicles, and reduce greenhouse gas emissions.

The grant applications are open to municipalities, local or regional planning agencies, transit agencies, school districts or schools, non-profit organizations, and citizen groups focused on providing public transportation resources. Private-sector organizations, individuals, and state and federal agencies are not eligible to receive funds directly but may be partners of a project.

The application, with more details about the program and funding guidelines, is available on the AOT website at <https://vtrans.vermont.gov/public-transit>.

The deadline for filing applications is Friday August 26, 2022, at 4:30 p.m. Emailed applications are preferred. To request a copy of the application, or if you have any questions, please contact Dan Currier, Go Vermont Program Manager, 802-279-5236, [Dan.J.Currier@vermont.gov](mailto:Dan.J.Currier@vermont.gov).
