Agency of Transportation Invites Municipalities to Participate in Municipal Park-and-Ride Grant Program

Barre, Vt. – The Vermont Agency of Transportation (AOT) is now accepting grant applications for the SFY 2024 Municipal Park-and-Ride Grant Program, which provides funding for improvements of small park-and-ride facilities in Vermont communities. These facilities will assist in the effort of reducing the number of single occupancy vehicles on the roadway, which in turn helps to reduce vehicle pollutants and traffic congestion.

A total of \$150,000 is available for this program for the 2024 state fiscal year. Applications are due by e-mail by November 3, 2023.
